PMB-6SM

EN

The PMB-6SM is a CCTV camera base by Partizan, featuring durable metal construction with a white finish. This unit is rated IP44, ensuring protection against dust and water ingress. It operates with dimensions of 134 mm in diameter and 57.5 mm in height, while having a total weight of 550 grams, which facilitates compatibility with the recommended mounting brackets PMB-Bracket and PMB-Pole. This product is supported by a warranty period of three years for operational reliability.
